

Spicer® Performance Ball Joint Kit for Jeep® Wrangler JL and Gladiator JT

Date: **November 2019**

To: **All Dana Aftermarket Group Spicer® Performance Customers**

Dana Aftermarket is pleased to announce our new Ball Joint Kit offering for the Jeep Wrangler JL or Gladiator JT. Replacing the OE plastic-on-plastic design, these Genuine Spicer® ball joints are a metal-on-metal design and include a grease zerk for extended life and serviceability. Our new Ball Joint Kit includes one upper and one lower ball joint, nuts and cotter pins: everything needed to service the front left or front right of your Jeep Wrangler JL or Gladiator JT. For peace of mind off-road and ideal for use with larger wheels and tires, Genuine Spicer® ball joints deliver on quality and performance.

Front Spicer® Performance Ball Joint Kit
