

Dana Crate Axle® Program - **NOW AVAILABLE** Ultimate Dana 60® Full Offering for Jeep® Gladiator JT

Date: **September 28, 2020**

To: **All Dana Aftermarket Group Crate Axle® Customers**

Jeep Wrangler JK and JL owners are some of the most hardcore off-roaders out there, and Dana has always been right there with them. That's why we're happy to announce availability of the new Ultimate Dana 60® crate axles for the rear of your Jeep® Gladiator® JT! The new JT rear crate axles include all the features of the Ultimate Dana 60® you've come to expect, including Spicer® performance ring and pinion gears, along with heavy-duty upgraded brakes and ultra-strong 3-1/2" tubes with 3/8" wall thickness. Get the performance and dependability of Ultimate Dana 60® axles for your Jeep®, today!
