

SPICER®

Spicer® Commercial Vehicle **Dura-Tune® Self-Aligning Center Bearings**

Improved Performance and Maintenance Free

Spicer's line of Dura-Tune® self-aligning center bearing assemblies are engineered for durability, and tuned to provide industry-leading powertrain vibration isolation and dampening. The patented design helps to ensure proper installation and alignment throughout the life of the vehicle, delivering a more consistent ride while promoting drivetrain longevity.

Spicer® Protects the Parts That Keep Your Fleet on the Road.

The innovative design of Spicer® Dura-Tune® center bearing assemblies maintains the proper driveline angle to maximize driveshaft and component life. These best-in-class center bearings address noise, vibration and harshness (NVH) levels to deliver a smoother, quieter operation for downspeed drivetrains. A user-friendly installation further reduces the possibility of future alignment-based issues.

The Dana Aftermarket family of Dura-Tune center bearing offerings includes Dura-Tune Lite, available for use with SPL® 350 Lite and SPL® 250 Lite driveshafts. For the convenience of our customers, Dana offers both a master kit and a streamlined kit.

Spicer® Dura-Tune®

Spicer® Dura-Tune® Lite

Spicer® Dura-Tune® Center Bearings Advantages

Dura-Tune and Dura-Tune Lite center bearings deliver improved performance.

- Maintenance-free factory sealed bearing and double-lip seal configuration decreases contamination and extends life
- Innovative design provides optimal alignment within +/- 10 degrees
- Advanced technology elastomer material decreases levels of noise and vibration
- Delivers reduced driver fatigue and improved vehicle satisfaction
- Installation is simplified, with no need for multi-hanger bracket and cross member configurations

Approved for all On- and Off-Highway Applications

New #	Description	Current #	New Rubber Style
10094142	Dura-Tune®	5003323	Slotted
10094142	Dura-Tune®	500332370	Slotted
350CB03MK	Dura-Tune® Lite - Includes adhesive and applicator	350CB02X	Slotted
350CB03X	Dura-Tune® Lite - Does not include adhesive and applicator	350CB02X	Slotted
