

SPICER®

Commercial Vehicle **Spicer ReadyShaft™** Program

Custom Driveshaft Assemblies
with Next-Day Shipment

When a truck is down, Dana is there to meet your demand for a fast-turnaround replacement driveshaft solution. The Spicer ReadyShaft™ Program offers the convenience that you demand, providing world-class driveshaft assemblies that are shipped within one business day of order and feature warranty coverage. Get your commercial vehicle back on the road quickly with a driveshaft built from Genuine Spicer® parts.

Next-Day Direct Shipment of Complete Driveshaft Assemblies

Valuable time and money can be lost while awaiting replacement parts after a driveshaft fails. With the Spicer ReadyShaft™ Program for commercial vehicles, Dana offers shipment by the next business day—with easily trackable delivery—so you'll never have to worry about when a driveshaft will arrive. If you need help with ordering, we are here to make the process easy.

Consistent Part Numbering for Easy Ordering

Dana makes your job easier by offering these quick-ship driveshafts with user-friendly part numbers.

ReadyShaft™ Program driveshaft part numbers are the standard part number plus an "R" suffix

EXAMPLE:

170SC55012CR: ReadyShaft™ Driveshaft Assembly

170SC55012C: Standard Driveshaft Assembly
