

New Spicer® Select™ Coverage –

Date: **June 20, 2023**

To: **All Dana Aftermarket Group Spicer® Select™ Customers**

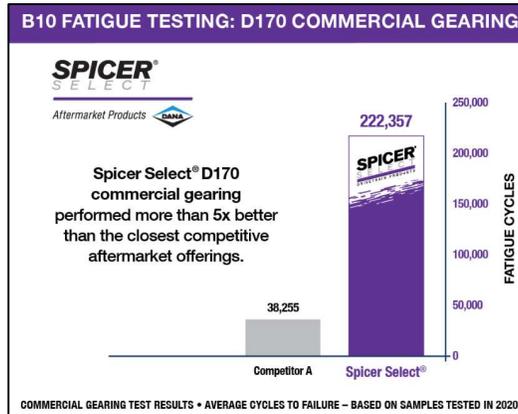

Affected Models: D170, S170, D190 and S190

Dana has increased the number of Spicer Select primary gearing part numbers with Dana axle models D170, S170, D190 and S190. Manufactured in the same plant with the same quality control measures as genuine Spicer gearing, you can be confident that Spicer Select gearing is manufactured to keep vehicles in reliable operation.

Spicer Select drivetrain parts by Dana are built for older vehicles that still have an important job to do. With the expanded coverage of primary gearing, you have more choices for quality-built, all-makes parts that are backed by the Dana name that is known and trusted.
