Dana-Engineered for the Aftermarket

Spicer[®] Select[™] commercial vehicle
aftermarket drivetrain products by Dana

Parts Built with Purpose.

We are born innovators who make products that are purpose-built using data, testing, and expertise to ensure optimal performance. Spicer® Select™ drivetrain products are backed by Dana, for aging vehicles that still have a job to do. Parts that are designed to the engineering standards you can trust to help your customers come back satisfied. Because for us, “getting by” is simply not good enough.

PURPOSE-BUILT

Premium, aftermarket replacement parts

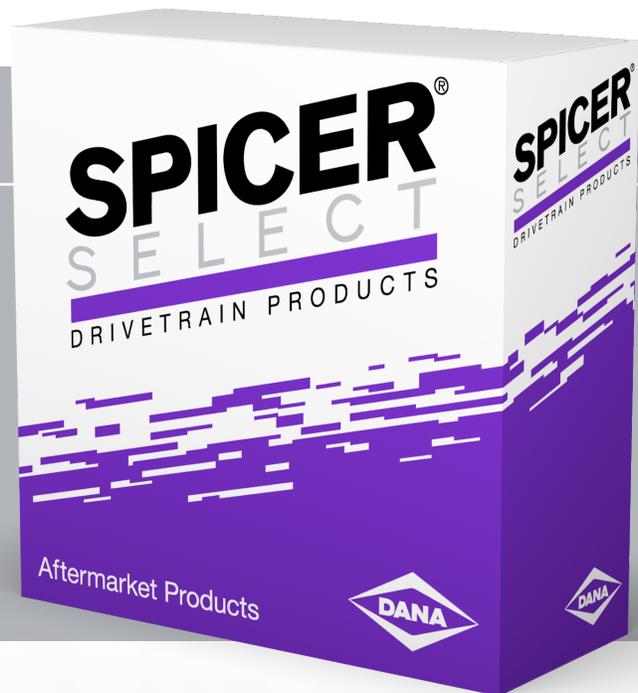

Dana SELECTS

- The right manufacturing processes
- The right product
- The right design specs
- The right quality level

Customers SELECT

- A name they trust
- A product that is Dana-engineered
- The quality level they need

Products U-joints, strap kits, and center bearings

Drivetrain Products from a Leader in Drivetrain Performance.

Every Spicer® Select™ aftermarket u-joint, strap kit, and center bearing is Dana-engineered to provide dependable performance.

When it comes to repairing or maintaining your vehicles, we've gone the extra mile to ensure high quality and product performance. In fact, all Spicer® Select™ commercial vehicle aftermarket drivetrain products by Dana are engineered to meet the unique needs of the aftermarket and are backed by a comprehensive, competitive warranty. And our service is unmatched anywhere.
