

SPICER®

Spicer® Commercial Vehicle Universal Joints

The Parts That Outperform the Competition.

Choose u-joints from Dana Aftermarket, and get the confidence that comes from offering the best quality, top-performing parts. Since unnecessary downtime is something that no one can afford, Spicer® u-joints are designed to stand up to the demands of today's high efficiency trucks.

Demand The Best ... Demand Genuine Spicer®!

Your customers rely on the trucks in their fleet to keep their businesses successful. Spicer® u-joints deliver the same performance as the original equipment parts, because they are original equipment parts. Manufactured with OE tooling and technology, Spicer u-joints mean a guaranteed fit, reliable finish and superior function.

Spicer Life® Series (SPL®) u-joints feature superior design, better lubrication, and a premium sealing package that all work together to deliver enhanced bearing life. SPL u-joints include upgrades such as a premium sealing package, cold-formed journal cross body, and heat-treated bearing cups.

Spicer® 10 Series u-joints are manufactured using statistically controlled processes to ensure the same high-quality part every time. Zerks on both sides allow for thorough lubrication to maximize part life, and a high-quality steel journal cross ensures optimal strength and durability.
