

SPICER®

Genuine Spicer 10® Series and Spicer Select™ Driveshaft Components

Dana has you covered for the lifespan of every vehicle, with the products that ensure your upgrade or repair is done right the first time. Genuine Spicer® replacement parts are manufactured to exact OE standards, and Spicer Select™ drivetrain products are Dana-engineered and purpose-built for aging vehicles that still have a job to do.

Demand the best: demand Spicer drivetrain products.

Nomenclature

This document is intended for nomenclature purposes only and is not to be used for assembly instruction. It does not include every possible scenario or product name. Parts pictured are for reference only and are not intended to be all-inclusive. Alignment of yoke ears are not representative of all forms of phasing. Yoke ears are phased per Original Equipment Manufacturers' requirements.
