

SPICER®

Spicer® Commercial Vehicle Wheel Seals

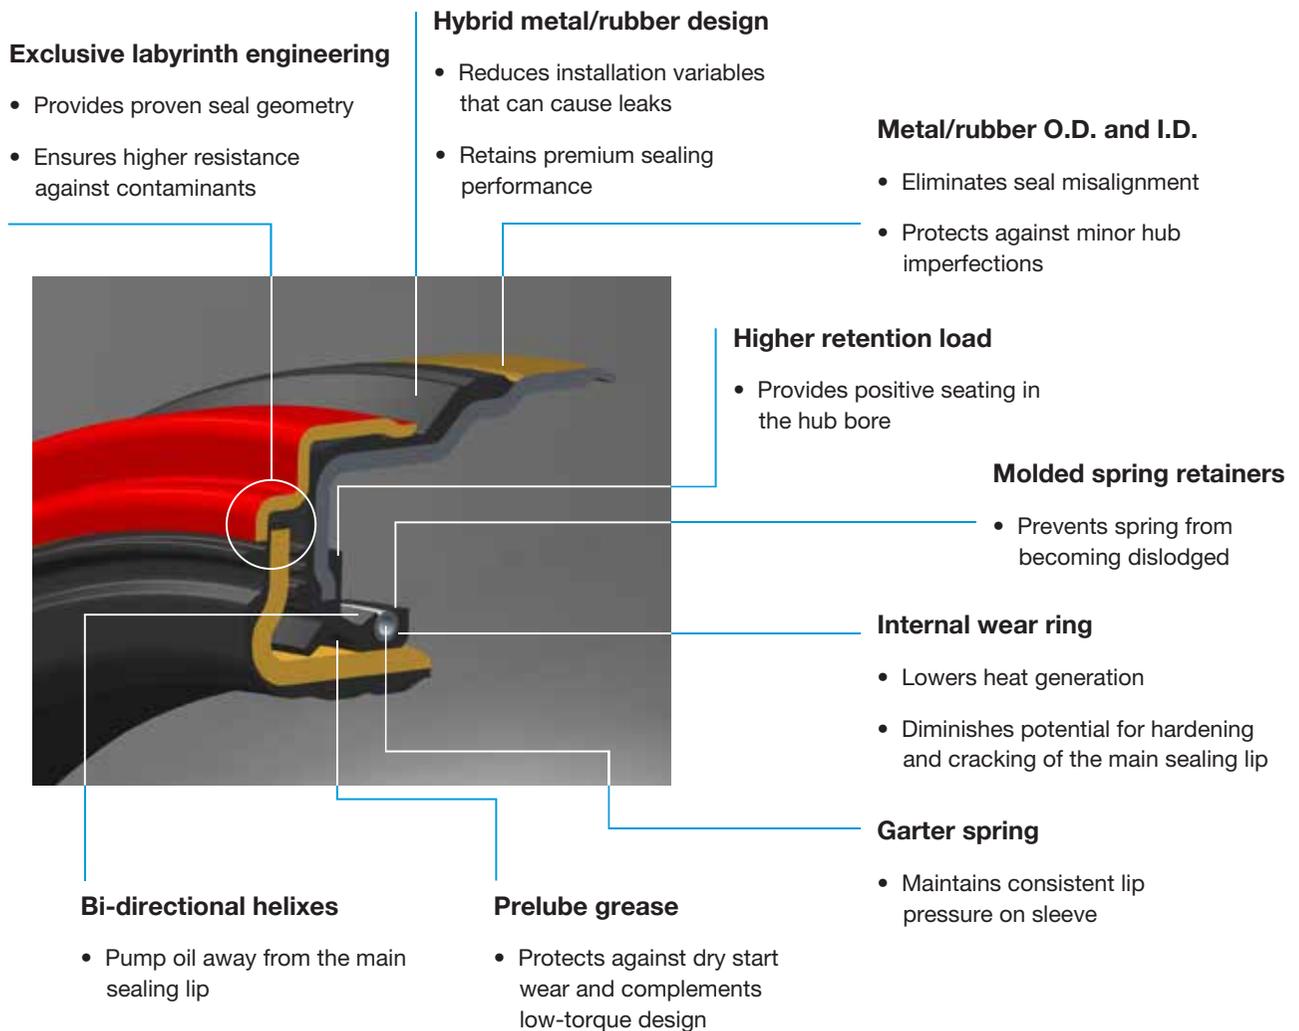

Heat, Dirt, and Dust are the Enemy. Fight Back with Spicer® Wheel Seals.

Reduce friction, lower torque, and promote cooler running temperatures in your vehicle. Take advantage of proven seal geometry that keeps contaminants out. You can also cut down on labor costs by reducing the need for early brake replacements. Spicer wheel seals give you the protection you need, with the same quality you expect from original equipment parts.

Spicer® Commercial Vehicle Wheel Seals

Spicer wheel seals deliver the same quality you expect from original equipment parts. Easy-to-install, easy-to-maintain Spicer wheel seals are compatible with mineral, synthetic, or semi-fluid grease, so you can reduce your inventory and avoid unnecessary seal replacements when you interchange lubricants. Protect your vehicle from heat, dust, and dirt with the proven technology of Spicer wheel seals.
