

Genuine Spicer® Extra Fuel-Efficient Synthetic Axle Lubricant

Date: **Thursday, May 28, 2020**

To: **All Dana Aftermarket Group Spicer® Heavy Axle Customers**

The Dana Aftermarket Group is pleased to announce the addition of Spicer® XFE 75W-85 Synthetic Gear lubricant.

Spicer® XFE 75W-85 synthetic gear lube is our most fuel-efficient gear lube to date. It delivers fuel savings that make a noticeable impact to your bottom line. It is engineered to meet the specifications of linehaul, vocational heavy-duty axles, and light-duty axles. Experience long gear life and operating performance, even in extreme temperatures. You can enjoy a 1.9% fuel savings improvement over standard FE 75W-90 oil and extend the warranty on your Spicer heavy-duty or medium-duty carriers. Use form: **HAXL-POL-12-WARRFORM**.

- Improved fuel efficiency - additional 1.9% fuel savings when compared to FE 75W-90 oil
- Extended drain interval - up to 500,000 miles
- Outstanding gear and bearing protection
- Extreme hot and cold temperature performance

Product will be available in 5-gallon pails.

Spicer Part #	Description
XFE75W85-P	5-gallon pail
