

DATE: August 1, 2025**TO: All Dana Spicer® Customers**

Within recent months we have discontinued multiple full-round end yokes and offered a half-round end yoke as a replacement option. In lieu of this option, we would like to clarify that a new u-joint kit is also required when using the half-round design.

Please see the chart at right for the affected yokes and required u-joints:

Questions? Please contact your Dana Aftermarket sales contact, or visit Spicerparts.com.

Thank you for your continued support of Spicer® aftermarket products!
