

NEW SERVICE CARRIER WARRANTY POLICY

DATE: July 1, 2024

TO: All Dana Aftermarket Group Spicer® Heavy Axle Customers

The Dana Aftermarket Group is pleased to announce an immediate improvement to our Spicer® Service Carrier aftermarket warranty policy.

Effective on Service Carriers purchased from Dana on or after June 1, 2024, the new standard warranty period is 3 years, unlimited mileage**. (The current policy is 2 years, unlimited mileage).

Additionally, the Dana Aftermarket Group continues to offer an extended warranty by **12 months** when a new Dana Genuine Service Carrier is purchased, installed and Spicer® FE75W-90 Fuel Efficient synthetic gear lubricant or Spicer® XFE 75W-85 Extra Fuel-Efficient synthetic gear lubricant is used to fill the drive axle.

Changes are summarized below:

Application*	Standard Warranty Period	Extended Warranty Period Using Spicer FE75W-90 and XFE75W-85	Improved Warranty Period
Spicer® Service Carriers	36 months, unlimited mileage	48 months, unlimited mileage	Additional 12 months, unlimited mileage

*Linehaul (on-highway), heavy duty, and medium duty service axles

Refer to the Spicer® Lubrication Manual LMO72012 for specific information on the recommended drain intervals for vehicle applications, drive axle lubricant capacities by axle model and the drive axle lubrication procedure.

Vehicle Owners must register to receive the extended warranty. Simply complete the attached form and send into the address at the bottom of the form.

**The policy does not provide a 3rd year coverage per the chart below. The maximum Service Carrier warranty for the models/vocations below is 2 years.
